

Boccia Level Definitions

Singles Events

Level 1

The player can take full responsibility for his or her own game.

Level 2

The player requires verbal prompts from the referee i.e. blue or red to play.

Level 3

The player requires verbal and physical prompts from the referee i.e. a gesture and saying the players name to enable them to play.

Level 4

The player requires the assistance of a coach i.e. to prompt and pass Boccia balls to the player to enable them to play and may also need a prompt from the referee as to where the jack ball is placed within in the court. (The jack ball has to be delivered over the inverted V on the court).

Level 5

Assistive Device: Player uses a ramp or chute and requires an assistant to hold and move ramp as indicated by the player. The player must release ball and the assistant must face away from court at all times.

Teams Events

Level 1

Team can take responsibility for the game and a Player can take on role of Captain.

Level 2

Team needs a coach to take on role as Captain.
