How often do you train? Where & when do you train	Ravelston Golf Course, Castle Park Golf Course
What does Special Olympics mean to you?	Special Olympics gives me goals to work towards, a great sense of achievement when I reach them and encouragement to look for the next challenge. It gives me the chance to meet new people, go to new places and have new experiences.
How has Special Olympics changed your life?	Special Olympics has increased my self-confidence and independence and made me realise that I can achieve lots more things in life and that I should try any new opportunities I am given. It has helped give me the confidence and skills to live independently. It has shown my family what I am capable of and given them the confidence to let me do it.
